**THE PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA
CLERK'S OFFICE
DOCKET NO. 2013-201-WS**

REVISED NOTICE OF FILING AND HEARING

Utilities Services of South Carolina, Inc. ("Applicant" or "Company") has filed an Application with the Public Service Commission of South Carolina (the "Commission") for an adjustment of its rates and charges and modifications to certain terms and conditions for the provision of water and sewer service. The Application was filed in accordance with S.C. Code Ann. §58-5-240 and 10 S.C. Code Ann. Regs. 103-712.4, 103-512.4, 103-503 and 103-703. The Application states that the proposed rate increase is necessary in order that it may provide reasonable and adequate service to its customers, cover its expenses, be permitted an opportunity to earn a reasonable return on its investment, and attract capital for future improvements. The Application also states, in part, that the Company's proposed rates are also necessary in order that the Company may comply with the standards and regulations set by the South Carolina Department of Health and Environmental Control and other environmental regulatory authorities.

The Application includes new charges to recover costs of disconnecting the Company's water and sewer customers from its facilities in certain circumstances, to recover its costs of repair of its water and sewer facilities which have been damaged by tampering, and for the installation of certain water meters. The proposed new rates include provisions permitting electronic billing and electronic payment of its service charges, to provide for late payment charges on its water and sewer accounts, and to remove the limit on non-account water charged to customers. The Utility also seeks to increase its approved customer account charge to its new water and sewer customers and to increase its approved notification fee charged in connection with a notice required prior to disconnection of sewer services. The Company's proposed water and sewer tariffs also include late payment charges for any balance unpaid within twenty-five days (25) of the billing date to be assessed at one and one-half percent (1-1/2%) for each month, or any part of a month, that said payment is late.
